

RCMP YOUTH CAMP 2018

To all school administrators and career counselors:

The Northwest Region Recruiting Unit of the Royal Canadian Mounted Police (RCMP) and the RCMP Training Academy Depot (in Regina, SK) are pleased to offer a select group of Grades 10 to 12 students the opportunity to experience life as a police officer.

Thirty-two students from across the prairies and territories will be chosen to attend a one week Youth Camp at the RCMP Training Academy in Regina, SK. These students will be selected based on their academic achievement, interview skills, volunteer experience, work experience, physical fitness and their individual interest in being a Police Officer in the RCMP. The cost of the camp and travel to Regina is free of charge for those selected to attend.

As the RCMP is committed to equity and diversity, we would like these qualities to be reflected in the students who are selected.

There will be a wide variety of activities planned for the students to observe and participate in during their week in Regina. Activities include: drill, police driver training, firearms simulator training, police officer scenarios, defense tactics, troop teamwork, tours of Depot and much more.

This is an excellent opportunity for students to interact with police officers from a variety of units within the RCMP. It will allow students to obtain a better understanding of what life would be like as a member of the Royal Canadian Mounted Police.

We are asking for your help with this initiative and would greatly appreciate if you would identify students who would benefit from this Youth Camp. Please forward their information (name, school, grade, e-mail) to our Recruiting Unit via e-mail. We value your opinion and look forward to hearing back from you about the most suitable candidates. Once we have names of recommended students for the Youth Camp, the RCMP Recruiting Unit will be contacting the students directly in February 2018 to confirm their interest and provide further direction for the applicants. **The deadline to provide names of potential applicants to the RCMP D Division Recruiting Unit is February 15th, 2018.**

Thank you for your assistance. If you have any questions during the selection process, please do not hesitate to contact our pro-active recruiting officers:
