

Oct.30, 2017

Dear Parent/Guardian

The Rotary Career Symposium provides students with the opportunity to begin exploring potential careers and the world of work. Grade 10 LWP20S (Life/Work Planning) students will attend the Career Symposium at the Winnipeg Convention Centre on April 17. Buses will leave at 9:00 a.m. and return by 3:15 p.m. The cost to the student is \$3. There will be a course assignment for LWP20S connected to this field trip. If the student is unable to attend, an alternative research assignment will be issued. **The completed permission form with \$3 must be completed online using the KEV system by Thursday, Nov.16.** We need to act on this early to reserve our spot and secure this discounted rate. Students can also bring lunch or money to buy lunch.

Sincerely,

A. Kroeker

LWP20S (Life/Work Planning: Career Development)
